

2016 Awards Program Report

to WASCOE on April 22, 2016

This year I received two outstanding Distinguished Service Awards (DSA), one for Service to FSA-Agriculture and the other for Service to WASCOE / NASCOE. Both of these individuals are very deserving of these awards and they will be presented tonight at the banquet.

I received 8 nominations for the Sick Leave awards.

This year, for the “Nice Job” award, I received 41 nominations. Some are very detailed and in-depth while others are “fun” and joyfully written and nominated. There are so many people doing so many good things, in their own lives or for the lives of others. These awards can be work-related or come from life experiences. Please consider writing up someone in your office or a neighboring office next year. You really won’t regret it and it does not take a lot of time. What a way to share a smile, too.

Respectfully submitted,

Teresa R. Zimmer
WASCOE Awards Chair
