MEMBERSHIP REPORT

APRIL 2016

We want to welcome ALL of you to become members and let your voice be heard! NASCOE/WASCOE is **your employee association** and they work hard for each and every one of us and for our job stability and for many benefits. It is our only avenue that can represent all employees equally regardless of grade or position and we receive excellent benefits obtained through NASCOE's many years of efforts at the national level.

JULY 1ST begins the new year for membership, so we hope you will consider joining and becoming active in your Employee Association!!! Dues can be paid in 2 ways: Payroll Deduction or an annual membership lump sum payment. Payroll deduction is an easy way to pay your dues with small payments deducted each pay period. You can complete form FSA-444 and the FAX memo. The forms can be found on the WASCOE website. Any member that joins by July 31st will be eligible for a $5.00 discount and if your county office has 100% membership, the office is eligible for $100 cash drawing at the WASCOE convention.

Wisconsin currently has 162 paid members and 3 associate members, giving us 66% of the county office employees as paid members in WASCOE. 30 of the 35 CED's are paid members (86%)! 48 of the 53 county offices have at least one employee as a member!! 3 of our COF's celebrate 100% membership in excess of 50 years of Wisconsin's Association of NASCOE; Juneau, Outagamie and Racine/Kenosha/Milwaukee. A HUGE congratulations to these offices!!!! WASCOE is very proud to report that we have 19 of the 53 following county offices with 100% of their staff as paid members!

We have seen many changes to our staffing in Wisconsin over this past year, with many retirements and several new hires. I have sent out letters inviting all new employees to join WASCOE with information packets. This extra effort resulted in many new memberships!

If you have any questions or concerns or issues regarding membership, feel free to contact me or any officer or director.
