If you are interested in becoming an officer or director, please contact any of us! We will be happy to talk with you about these positions!

Officers are elected to a two-year term. The President and Vice President shall not serve more than three consecutive terms in the same office. One year transition terms are not counted towards the three consecutive term limit.

A recent change to the bylaws eliminates the term limits for the Secretary and Treasurer due to the nature of these positions.

The President and Vice-President are elected in even-numbered years and the Secretary and Treasurer are elected in odd-numbered years.

Directors are elected to a three-year term. No director shall be elected for more than two consecutive terms, unless there is a one year break between terms.
