

February 2025

Welcome everyone!

As I write this, the sun is shining brightly outside! Spring will be here before we know it. Here is a summary of our treasury since our last newsletter. There hasn't been a lot happening in the publicity world in the last several months. Check out the website and follow the available social media pages.

TREASURY

Currently we have \$7,207.08 in our general operating account and \$6,219.49 in our scholarship account.

Our quarterly dues for the first two quarters of the fiscal year to NASCOE was \$3,761.25. This is based on our 118 CO employees, 1 GS employee, and 2 associate members. Currently there are 232 CO employees onboard in Wisconsin. Our third quarter dues are due by April 10, 2025. As of Pay Period 2, WASCOE has \$6,858.35 in membership dues income. We anticipate approximately \$3,100 in dues income for the remainder of the fiscal year.

Our largest expense in the coming months will be our 3rd and 4th quarter NASCOE dues, which will be approximately \$4,000. We will be reimbursing our delegates to the Midwest Area/Northeast Area Rally in Cortland, New York from April 27-29th. Last year, delegate expenses for the MWA/NEA Rally were \$2,224.95. The NASCOE National Convention will be held in Whitefish, Montana this year from June 22-26th. Delegate expenses could range from \$2,000 to \$3,000.

The Board of Directors have decided to have a cash raffle drawing at the WASCOE convention in Manitowoc. The net proceeds from the raffle provide additional income for WASCOE.
